COPPERINGS. Judge Kibby of Phoenix and Gen' Wilson of Tueson came in on the On Draught, Constantly on train this evening and a grand Republican rally is on the program for tonight. Both of the gentlemen made very good impressions here last campaign and a good meeting is assured or this evening.

The Populiet meeting came off last night at the rink and was quite well attended. The meeting was a great deal more of a success than the Demcratte gathering and it is quite evi-Poultry, dent that Bucky will receive quite a support here. Judge Reilly of Tomb-Game received once a week. stone accompanied Mr. O'Neill and opened the meeting. He spoke about an hour in all, so the people say, and the greater part of that time was consumed in making charges. We all TOBACCO, know Reilly and expected something of the kind, but last night the gentleman almost outdid himself, so long was his tirade. He finally yielded the floor to Burky who at once changed the subject and took the people back to the issues of the day. He gave quite an extended discourse on Popuism and his speech was remark-WINES, IMPORTED ably clear of all disparaging allusions LIQUORS to his opponents. His speech indicated that he intended to make his fight on its merits, and for that reseon was very well received. He made a IMPORTED CHEESE & SAUSAGES much better impression than be has done here heretofore and he is evidently warmly supported yet, even though quite a number of his former followers have dwindled away.
